## 2012 Pinewood Derby

Our Pinewood Derby was held January 28th, Our new system worked out real well this year. We completed all 76 heats in roughly two hours. Each car had two heats on each lane for a total of eight runs per car. The lowest scores were thrown out and the remaining seven runs were totaled for the results. This year we also got a "scaled" miles per hour for each car.

All of the results/reports are posted online, The Final Results ; Individual Car Stats and Final Heat Results are all available for download in pdf format. Go to

Zeke Ferrell, First place win-

ner; Blake Albright, Second Place winner; Ethan Caraway, Third place winner will all go to the District Derby. Xavier Jarnigan, Fourth Place winner is the alternate and will go to the District derby in the event one of the first three are unable to attend.

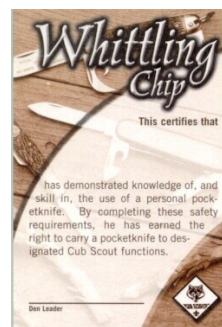

**Top four places at this year's  
Pinewood Derby**

## Bears Learn to Carve

This month our Bears are going to begin working on their woodcarving badge. We will begin with carving a bar of soap in order to get the feel of a knife and to learn how to handle one without cutting our fingers off.

Later the scouts will get to carve an actual piece of wood. Begin discussing with your Bear scout, what they want to carve. Such as a Bear, and Elk, a Bird or other creature. It will take some time and they will need to learn and practice some patience. They

will also need to learn something about the animal they want to carve. Knowing the animal, it's physique, it's stature, muscle tone and features will make carving the animal much easier to accomplish.

## Scout Week

February 5 to February 11 is "Scout Week", Scouts are encouraged to do two of the following:

- Help promote Scouting through setting up a window display or making a poster and displaying it at a local business, school or chartering organization.
- Wear your uniform to school on your meeting day during Scout Week.
- Participate in a service project for a minimum of one hour during Scout Week.
- Bring a friend to a Pack, Den, Troop or Crew meeting (you can get a recruiter patch when they join).
- Write an article for the newspaper or a letter to the editor promoting Scouting

### ADOPT-A-ROAD

The Adopt a Road program is scheduled for Saturday March 3rd. Meet at the scout building at 2:00 pm

This is a service project, so please try to attend. Thanks

Any parent or volunteer who would like to volunteer to do some of the editing on the website, we welcome you to contact Gerry for information on tools, access and methods. Some of the incomplete pages are begging for a volunteer editor to fill in some of the blanks .

**The Scouts Still need your leadership**

We really need some of the current parents to "Step-up" and start their training towards becoming a leader. Our current group of leaders will be advancing on with the scouts next years, leaving some dens without any one to step in as the

den leader. The current den leaders will help you with all the requirements, meetings, training etc.

A few hours a week, a couple of classes and you could be the boys next leader. Training can be taken online.
