January 2013

Volume 3, Issue 1

Pinewood Derby Time

This heat is from last years Pinewood derby. It was the first year we used this 4 lane digital track. We'll be using this track again this year.

This year's Pinewood Derby will be held at 6:00 pm on Saturday, February 9, 2013 at the Mosheim Volunteer Fire Department. We will be using the

same 4 lane, electronic controlled track that we used last year. Good luck to all the participants, the top three cars will go on to the district derby scheduled for Saturday February 23.

We will be setting the practice track up in the big room at the scout building sometime during the week of Jan 13 to the 19 and it will remain up until after our derby is held. We will also have our scales available for use to check your cars the rest of the month.

We have a copy of the revised District Pinewood Derby Rules posted on our website where you can download and read or print them whichever you wish. If you do not have access to them ask and one of the leaders will be happy to provide printed copies for you.

This is a good time to invite all your family, friends and anyone who you know that may be interested in scouting to come out, see the races and spend some time among friends.

Anyone needing help can contact a leader and get help with their car. Cutting, polishing, painting or fine tuning the assembly, wheels, axels, or anything else.

See you there . . . And Good Luck . . .
