This year Cub Akela is the first weekend in October, being October 4, 5 and 6. This year our own, Lawrence Pitts, is one of the two Camp Directors. Camp is centered around Space Exploration and will include the ever popular "Zip Line", BB Gun Range, Archery Range and much more.

We will be setting up camp Friday afternoon/evening October 4 and all are welcome to join us, usually anytime after 3 pm on Friday, if anything changes we will notify all parties prior to camp.

All scouts must have submitted to us a current BSA Health

Form, available from your Den leader or for download from our website, check the links at the bottom of this article.

We have camping checklist and directions to Camp Davey Crockett, both simple map from the scout building and a link to get specific directions from your location

Sunday we will be packing out relatively early, most of the leaders have prior engagements for Sunday, so plan accordingly.

Please make sure your scout and siblings or friends come prepared with dry clothing.

Expect them to stomp through the creek with at least two or more sets of clothes and shoes/socks.

More information will be given as we get closer to the date of Cub Akela . . .
